GOSPEL REFLECTION

Living the Gospel – Speaking a hard message

Today's gospel reminds us that the message of Christianity is not always a popular one. Sometimes we are called upon to speak a hard message; a challenging message; a confronting message. The message of the gospel frequently confronts our popular culture and accepted social practice. It often contradicts the expedient decisions of our political leaders. There is a responsibility on us to speak the hard message of the gospel even at the risk of unpopularity and even in the face of threat. The Christian heroes of our time are those who call leaders to measure up to the demands of the gospel.

Scriptural context – Turning point

As we've seen over the last few weeks, chapter 12 of the gospel of Luke presents a collection of sayings by Jesus exhorting his followers to take up his message fearlessly and assuring them that if they do so then God will protect them – even in the hardest of times. The chapter captures what must have been a period of frustration for Jesus in his ministry: he has been preaching and performing miracles, yet his followers don't seem to understand his purpose. The chapter has an urgency and a sharpness of tone that reflect the frustration of Jesus at this mid-point in the gospel.

Historical Context – Family ties

In the ancient world, and particularly in Jewish culture, family meant everything. One's identity was completely tied up with family. Families absolutely depended on one another for survival and for personal identity. Young men were identified by who their father was. Women quite literally 'belonged' to their father or husband. The entire fabric of society and tradition was held together by extended families. For Jesus to say that his message would tear families apart was to say that all of society would be transformed by the message. The kingdom of God turns expectations and society on their head, breathing new life into tired, restrictive structures.

*May the God of Passion bless you. May God fire in you an eagerness for the Kingdom,
an enthusiasm for the good news of salvation.*

*May you be energized by faith with an intense awareness of God's presence
and activity in your life.*

May the divine energy in you kindle the God embers in each one you meet.

May the God of Passion be with you.

HOW CAN YOU HELP SUPPORT OUR PARISH?

One vital way you can support is through our Parish the Planned Giving Program! This enables us to meet Archdiocesan and Budget commitments

In making a donation, you are directly supporting and enabling the maintenance and growth of our Parish's mission to ensure we can continue Mass, pastoral ministries, sacramental programs and various maintenance works on our 8 buildings which includes Petrie and Dayboro.

We have several ways that our parishioners can make their donations.

We offer Direct Debit/Credit Card Deduction which is becoming more and more popular with our Parishioners. Once a request for direct debit/credit card deduction form is completed, forward these to the parish office for processing.

Contributions are paid electronically into the Parish account. Electronic payments can be from either a bank account or credit card account. Forms can be downloaded from the Parish website, are available from the table at the Church or by contacting the Parish Office.

Planned giving envelopes are also available if you prefer. Forms are at the table of both Church's.

If you already have envelopes they are available from the Church this weekend.
